#### **Application of Criteria to Existing Directors**

In addition, the Nominating and Corporate Governance Committee shall consider the existing directors' performance on the Board and any committee.

#### **Criteria for Composition of the Board**

The Board seeks nominees with a broad diversity of viewpoints, professional experience, education, geographic representation, backgrounds and skills. The Board believes that the backgrounds and qualifications of directors, considered as a group, should provide a significant composite mix of backgrounds, expertise and experience that will allow the Board to fulfill its responsibilities. The Board values ethnic, cultural, gender, economic, professional and educational diversity in evaluating new Board candidates and seeks to incorporate a wide range of those attributes in Teradyne's Board of Directors. Board composition is reviewed regularly to ensure that the Board reflects the knowledge, experience, skills and diversity required for the needs of the Board.
