

# Thinking about trading options or stock in Citrix Systems, Expedia, Netflix, TransDigm Group, or Teradyne?

Jan 24, 2020 9:31 AM

NEW YORK, Jan. 24, 2020 /PRNewswire/ -- InvestorsObserver issues critical PriceWatch Alerts for CTXS, EXPE, NFLX, TDG, and TER.

Click a link below then choose between in-depth options trade idea report or a stock score report.

Options Report – Ideal trade ideas on up to seven different options trading strategies. The report shows all vital aspects of each option trade idea for each stock.

Stock Report - Measures a stock's suitability for investment with a proprietary scoring system combining short and long-term technical factors with Wall Street's opinion including a 12-month price forecast.
