

Registration Opens for 2014 Teradyne Users Group Conference

Feb 05, 2014 7:00 AM

Technical Knowledge Exchange Brings Together ATE Industry's Best Minds

NORTH READING, Mass.--(BUSINESS WIRE)-- [Teradyne, Inc](#) (NYSE: TER) announced that [registration](#) is now open for the 31st annual [Teradyne Users Group](#) (TUG) conference to be held at the [Anaheim Marriott](#) in Anaheim, CA on April 28-30. TUG 2014 features new, reduced conference rates with early-bird discounts offered through March 14.

TUG 2014 will be kicked off by Dr. Marc Rayman from NASA's Jet Propulsion Laboratory with his [keynote address](#), "*To Boldly Go -- Well, You Know: NASA's Dawn Mission to the Asteroid Belt.*" TUG will also feature a panel discussion, "*Imagine the Future of Test*", along with [three days of technical papers](#), a [Vendor Fair](#) and other networking opportunities.

"TUG provides an unique opportunity to connect with your peers and grow your knowledge of the industry," said Larry Grieve, TUG 2014 Chair and Silicon Labs Senior Staff Product Test Engineer. "The conference provides valuable technical knowledge exchange in addition to fun networking events, including one to be held at Angel Stadium. We hope you will join us for the conference."

Participation at TUG is restricted to licensed users of Teradyne products and those invited by the TUG Steering Committee. To learn more about the ATE industry's longest running users group conference focused on quality knowledge exchange among users of Teradyne products and to [register](#) for this year's TUG conference, visit the TUG website at: <http://www.teradyneusersgroup.org>.
