

Teradyne Announces TUGx 2021 Hybrid Seminars This Fall

Aug 31, 2021 9:00 AM

NORTH READING, Mass., Aug. 31, 2021 (GLOBE NEWSWIRE) -- Teradyne, Inc. (NASDAQ:TER), a leader in semiconductor automated test solutions, announced its TUGx Global Seminars will be held beginning in October.

Each TUGx event will span multiple days with three to four hours of presentations from Teradyne experts each day. Presentations will share test strategies for new instruments, software capabilities addressing unique test challenges, and best practices for test applications.

The Teradyne Users Group (TUG) was established in 1983 by Teradyne customers as a way to share best practices, learn new test methodologies, and get the most out of their Teradyne technology. In 2019, Teradyne introduced TUGx, changing it from a single location event to multiple events around the globe, addressing customer requests to bring TUG to their locations.
