Today's PriceWatch Alerts cover the following stocks: General Electric (NYSE: GE), WebMD (NASDAQ: WBMD), Teradyne Inc. (NYSE: TER), FireEye (NASDAQ: FEYE), Yahoo! (NASDAQ: YHOO). InvestorsObserver's PriceWatch Alerts contain concise, detailed strategies for each stock we cover, including position protection tactics designed to defend investors from potential market shifts. While many other market reports only provide stock news and opinion, we offer strategies that can bulwark investments against uncertainty and increase chances of making a profit, even if a stock goes down.

"We go above and beyond typical market coverage," said Bobby Raines, Analyst at InvestorsObserver. "Trading experts and beginning investors alike can find value in our PriceWatch Alerts. We provide actionable strategies that protect investments with basic hedging tactics, along with a concise explanation of our techniques."

[InvestorsObserver.com](http://www.investorsobserver.com) is an online newsletter which focuses on the U.S. equities and options markets. Our analytical tools, screening techniques, rigorous research methods and committed staff provide solid information to help subscribers make the best possible investment decisions.
