

Teradyne Announces TUGx 2022 Hybrid Seminars This Fall

August 17, 2022

NORTH READING, Mass., Aug. 17, 2022 (GLOBE NEWSWIRE) -- Teradyne, Inc. (NASDAQ:TER), a leading supplier of automated test equipment, announced its TUGx Global Seminars will be held beginning in October.

In person events will be held in thirteen locations around the world and three virtual events will be offered to accommodate global time zones. The events will include presentations from Teradyne experts who will share test strategies for new instruments, software capabilities addressing unique test challenges, and best practices for test applications.

The Teradyne Users Group (TUG) was established in 1983 by Teradyne customers as a way to share best practices, learn new test methodologies, and get the most out of their Teradyne technology. Teradyne introduced TUGx in 2019, changing the event from a single location to multiple events around the globe, addressing customer requests to bring events closer to them. In 2021, Teradyne hosted seven virtual events around the world with more than 1300 attendees.
