

Voting Rights of Teradyne Common Stock

Teradyne, Inc.'s common stock, par value \$0.125 per share, is traded on the Nasdaq Global Select Market under the trading symbol "TER".

One share of Teradyne common stock entitles the holder of that share to one vote. There are no voting right restrictions such as non-voting preference shares, non-voting shares without preference, multiple voting rights shares, priority shares, golden shares or voting rights ceilings. At annual or special meetings of Teradyne's shareholders, shareholders of record on an applicable record date related to the meeting will have the opportunity to vote their shares during the meeting or by proxy via internet, phone, or mail. Each share outstanding as of the applicable record date will be entitled to one vote. Shareholders will have access to the company appointed proxies at an annual or special meeting of shareholders.
